

Slate Stone

This attractive paving stone — with its relatively smooth surface, geological banding, slightly rounded edge, refined grain and textured top — is reminiscent of the look and feel of a natural-cut flagstone. Slate Stone is a superb selection for driveways, walkways, patios and outdoor rooms.

The larger format 15x15 Slate Stone is great for step treads, pool coping and as a border to the Slate Stone Combo.

Stocked Colors:

See page 2 for color swatches and list of stocked colors.

**Solid Colors only available in 15x15 Slate Stone Shapes.*

Shown: Cream-Brown-Charcoal Slate Stone (distressed) installed in an ashlar pattern.

NOTE: ALWAYS VIEW PRODUCT SAMPLES PRIOR TO INSTALLATION The color and texture of Angelus products are not specific to any product or groups of products. Variation in color, shades of color, texture, and aggregate exposure is inherent in all concrete products and exact matches cannot be guaranteed. Not all products are stocked in all colors. Charts with more product related color availability are shown from product pages. Colors and textures represented in print and online are as close as possible to the actual product. Photographic techniques, printing techniques and viewing monitors — as well as actual viewing conditions — can alter perception of color.
